Certified for drinking water

# ALGAE RESISTANT ROOFING SYSTEM

Increase your homes overall value and choose a Pabco® shingle roof that will retain its natural beauty and performance

Pabco® Algae Defender Roofing technology, uses the power of science to repel algae before it can hold and spread and warrants your roof against algae growth for 20 years.

All roof types, including wood shakes, concrete and clay tile, colour steel and asphalt shingles are susceptible to algae infestation. PABCO® Algae Defender Roofing System will prevent ugly algae staining your roof.

ALGAE STAINED ROOF

# PRODUCT

PABCO® Premier laminated fibreglass shingles are the leading choice of homeowners and Builders who trust the PABCO® name and require value and a wide selection of colour options.

**PABCO® Premier Features:**

Warranty	<p>15 years, unlike other competing shingles, where the warranty is only 5 years in New Zealand.</p>
Wind Warranty	<p>PABCO® Premier Shingles meet the class H wind resistant standard at 242 kilometres per hour, with a wind warranty of 209km per hour.</p>
Fire resistant	<p><b>Class A Fire resistant.</b> The rating signifies that the roofing is able to withstand severe exposure to fire originating from outside the building.</p>
Subsequent home owner warranty	<p>The PABCO® Premier Shingles <b>warranty is transferable to subsequent owners</b>, unlike all other competing shingles in New Zealand, where if the house is sold, there is no warranty. It is the <b>ONLY</b> shingle that is transferable to subsequent owners!</p>
Algae Resistance	<p>Limited lifetime Warranty against black streaks caused by algae. Algae Defender technology adds another layer of protection, so you can worry less and enjoy your algae-free roof more.</p>
